Women and diverse entrepreneurs account for a large portion of the economy and drive job creation but continue to experience barriers to growth. In this *New Jersey Lawyer Magazine* article, McCarter partner Onome Adejemiua discusses the challenges these entrepreneurs face within the venture capital ecosystem as well as the innovative solutions that industry participants and the state of New Jersey are employing to help improve access to capital and close the funding gap.

This article appeared in the August 2021 issue of *New Jersey Lawyer*.
