CREW Boston is excited to present a panel comprised of four Legacy members who are leaders in the real estate community. These women represent the very essence of what it means to be a woman who has thrived in this industry. We are delighted to provide the opportunity to hear directly from them as they reflect on pivotal moments in their careers, and strategies employed as they've transitioned throughout. Cynthia Keliher, Partner at McCarter & English, joins this esteemed panel, held at the Boston office of McCarter & English.
