As the COVID-19 pandemic continues to impact businesses around the country, employers face ongoing questions around reopening, workplace safety, and remote work. Our employment attorneys, [Christopher Mayer](#) and [Tiffany Hubbard](#), will customize this program to your questions around these and other timely topics, such as:

- Workplace Safety Obligations Under OSHA and Public Health Guidelines
- Federal and State EEO Laws and Employee Health Screening and Vulnerable Employees
- Best Practices for Managing Employees While Working Remotely
- Impact of Federal and State Leave Laws on Reopenings and Remote Work

With your registration, we encourage you to submit a question you would like answered and/or topic you would like to see discussed.

This transitional/non-transitional presentation has been approved in accordance with the requirements of the NY, NJ, and CT Continuing Legal Education Boards for a maximum of one credit hour (NY – Professional Practice, NJ & CT – General).
