McCarter & English is pleased to announce that 50 of the firm's attorneys have been recognized by the *Chambers USA: America's Leading Lawyers for Business 2016* guide, considered the premier survey of law firms nationwide. *Chambers USA* also recognized 14 of the firm's practice groups, in four different metropolitan areas as well as in the guide's nationwide rankings, for exceptional performance and client satisfaction.

We are deeply grateful to you, our clients and friends, for your kind words and we look forward to continuing to provide you with top-notch service and value. The UK-based international publisher Chambers and Partners bases its guide on in-depth interviews with clients and lawyers, focusing on firms' and individual lawyers' legal skills, professional conduct, client service, commercial awareness, diligence, commitment, and other valued qualities. A team of full-time researchers conducts the survey, with law firms and lawyers chosen on merit only. *Chambers USA* ranks practice areas and lawyers by geographic location.
