David R. Kott

01.27.2021

On January 25, 2021 David Kott presented oral argument in the New Jersey Appellate Division on behalf of defendant C. R. Bard, Inc. in *McGinnis v. Bard*. The primary issues on the appeal were the admissibility of 510(k) evidence and whether punitive damages are recoverable as a matter of law against a medical device manufacturer under the New Jersey Products Liability Act.
