

Exporting Data, Importing Trouble

NDIA New England Chapter

05.16.2017

McCarter & English sponsors Cybersecurity Contract Requirements & Controls: Navigating the New FAR & DFARS Regulations, a full day event held at Raytheon Freedom Theater in Tewksbury, MA.

Zack Hadzismajlovic moderates Exporting Data, Importing Trouble, covering implications of cybersecurity on export controlled data rules and how primes will flow down requirements to—and monitor compliance of—subcontractors.
