

Managing Employee Attendance During and After COVID-19

05.07.2020

Hugh Murray and Ilana Levin speak on “Managing Employee Attendance During and After COVID-19” at 1:00 p.m. EST as part of McCarter & English’s A Whole New World: Managing the Workforce During and After the COVID-19 Pandemic webinar series.

As essential businesses operate and other businesses prepare to reopen, employee attendance will be a more complicated issue than ever before. Learn how the new state and federal laws aimed at protecting employees during the COVID-19 pandemic interact with pre-existing laws and policies, as well as the practical realities of managing and maintaining a workforce in a world in which there are more legitimate reasons to miss work than before.
