

McCarter & English and MBLA Host Movie Screening of “Marshall”

10.21.2017

With the support of McCarter and English, the Massachusetts Black Lawyers Association (MBLA) hosted a free movie screening of “Marshall” for high school students, which included a post-movie discussion with members of the judiciary and NAACP. As the legacy of Justice Thurgood Marshall continues to live on, the students expressed interest in becoming more involved in social justice issues, politics and law.
