### PitchBook

02.05.2017

[PitchBook](#), a comprehensive source of information on the activities of venture capital and private equity firms as well as their affiliated service providers, has ranked McCarter & English among the most active law firms in its 2016 Global League Tables. McCarter ranked in the top ten at the global, national, and regional levels for our work in the following categories:

- Mid-Atlantic region venture capital (5th)
- National venture capital (10th)
- Global venture capital (9th, tie)
- Software industry-focused venture capital (9th, tie)

In addition, we were ranked 14th for our global early stage venture capital work.

McCarter's Venture Capital and Emerging Growth Companies Practice represents privately and publicly owned startup, early stage, emerging growth, and middle market enterprises, as well as the investors, executives, and boards of directors who support and lead them. We help clients create and execute business strategies with a law firm model that reduces costs, increases efficiency, and maximizes value.
