### The LawWorks Project of Philadelphia VIP

06.17.2014

McCarter & English, LLP  
BNY Mellon Center  
1735 Market Street (Atrium)  
Philadelphia, PA

McCarter & English co-sponsored this pro-bono event for The LawWorks Project of Philadelphia VIP, where McCarter attorneys met one-on-one with microentrepreneurs to discuss immediate and ongoing legal matters. LawWorks matched volunteer attorneys' practice expertise with clients' specific legal needs. Microentrepreneurs had questions regarding business structure, contracts, tax, intellectual property, real estate, employment, and risk management.

McCarter & English provided attorneys with significant experience in these practice areas in case a consult was needed by a volunteer unfamiliar with an issue. There was a brief reception with an opportunity for private and corporate counsel to network.
