Cara A. Wulf

8.4.21-8.5.21

Cara Wulf leads this new three session virtual course, which explores the multiplicity of, and distinctions among, “Buy American” and “Buy America” statutes, regulations and policies, beginning with President Biden’s recent Executive Order: Ensuring the Future is Made in All of America by All of America’s Workers. The course is essential for any companies in the federal government supply chain whose products are manufactured or assembled abroad and/or whose products contain key components manufactured by or purchased from foreign affiliates, subcontractors and vendors.
