Scott A. Kobler

Scott Kobler, partner at McCarter & English and Chair of NJTV, is interviewed by Stephen Adubato to discuss the role of public broadcasting in our democracy, how public media works to improve our quality of life, and the importance of NJTV's Learning Live initiative.

Scott discusses how the role of public media is to elevate everyone's quality of life. This year, the focus has been on the honesty and reliability of information gathering and delivering.
