We are excited to once again participate in [Venture Summit Virtual Connect Global](#). The three-day summit includes a select group of more than 100 top innovators from the technology, cleantech, life sciences, healthcare, and fintech sectors who will present their breakthrough investment opportunities to an exclusive audience of venture capitalists, private investors, investment bankers, corporate investors, and strategic partners. Our attorneys will provide thought leadership and guidance as they speak at the event. Jared Sorin will moderate "Getting the Deal Done: The Role of Due Diligence in Early Stage Rounds"; Dave Sorin will moderate "The Changing Venture World"; Matt Uretsky will moderate "Negotiating a Winning Term Sheet"; Peter Campitiello will moderate "Corporate Venture Funding: Working with the Big Guys"; and Joe Ferino will moderate "From Both Sides of the Table: Founders Turned VCs Reveal All."

McCarter partner Joe Daniels will speak at LVLUP's "[Understanding Cryptocurrency](#)" event. Crypto is here to stay, and Joe will moderate a panel directed at those who want to understand the fundamentals of blockchain and cryptocurrencies and will provide answers to those who are curious about the future of crypto.

#### Supporters of Women-owned Small Businesses

McCarter is proud to work with the Women's Center for Entrepreneurship Company (WCEC), whose mission is to empower women entrepreneurs by providing necessary resources to start, own, operate, and grow their businesses. Recently, McCarter supported its event "From Pandemic to Progress: How Small Businesses Can Prosper During COVID & Beyond," which brought women business owners in New Jersey, New York, and Pennsylvania together to participate in breakout topics on marketing, funding, contracting, and empowering diversity, and to hear speakers including US Senators Cory Booker and Kirsten Gillibrand.

Partner Matt Uretsky has supported numerous WCEC efforts and presented at its events, including “Legal Basics for Startups,” which he again will offer in July, this time co-presenting with McCarter partner Arina Shulga.
