

Wealth Creation and Management Considerations for Entrepreneurs

11.09.2017

Join us for an interactive discussion on preparing for your future as you grow, and perhaps ultimately sell, your business. Entrepreneurs at all stages of wealth creation will gain insights on:

- Benefits of Qualified Small Business Stock (QSBS)
- Setting up insurance for key employees pre-deal
- Protecting assets
- Securing funds to preserve your lifestyle
- Tax considerations
- Having the right advisory team in place
